## **GUY'S NIGHT OUT FOR 4!**

You and three of your best buddies can break away for a night of fun and just "guy things."  
No shopping, or "honey-do lists."

Start the night feeling good with a visit to Flint Men's Grooming, a Bellevue Barber and Spa just for men. You'll relax, and turn up looking and feeling your absolute best after a hair cut and shave for your guy's night out.

Head over to the Gentlemen's Room, inside the Woolly Toad, at The Golf Club at Newcastle for an evening of billiards, cards, chess, backgammon, and flat-screen TV, while kicking back in the plush luxurious leather and corduroy sofas and chairs.

Enjoy beverages, appetizers and incredible sweeping views of the golf courses, urban skylines and mountains from the outdoor balcony overlooking Puget Sound while enjoying Gispert Belicoso handmade cigars provided to you by Fine Wine and Cigars.

Tonight's winning bidder will receive a one-year membership at Fine Wine and Cigars in their Wine Club and Cigar Club, including discounts, first option on limited releases and member's only wine tastings.

Restrictions: Golf attire required at The Woolly Toad

## **EVERYTHING BUT PIRATES!**

No pirates on these ships but a lot of everything else.

Tour aboard one or more of the Nation's National Oceanic and Atmospheric Administration (NOAA) research vessels. The ship and location in Seattle are to be determined, but possibilities include ships with the following missions: fisheries research, oceanography, and/or nautical chart making. Plans include a catered lunch aboard as well.

Get your picture taken sitting in the Captain's chair on the bridge of a ship!

If you like watching "Whale Wars" and "Deadliest Catch", you'll love this tour! See the nation's seventh uniformed service in action – the NOAA Commissioned Officer Corps.

A great outing for a school class or birthday party for 20 people.

Tour is limited to 20 and children must be 12 years old or over please. Available winter months only.

## **S.W.A.T. TEAM HERE YOU COME!**

A unique opportunity for you and three of your friends to spend an afternoon with former FBI marksman and S.W.A.T. team member, John Martin, to learn sharp shooter level techniques. You will learn how to correctly and safely hold, aim and fire high caliber hand guns at a local firing range.

All weapons, ammunition and targets will be provided for your use. After two hours on the range, you will be de-briefed over a glass (or two or three) of wine at the hottest-newest-latest Purple Wine Bar in Bellevue where tales of shooting exploits will be shared.

Experience of instructor: Seven years service in the Federal Bureau of Investigation including five years on the FBI S.W.A.T. team and assignments which included the Patty Hearst kidnapping by the SLA in San Francisco and airplane hi-jacking cases including D.B. Cooper.

Date and time to be mutually agreed upon.
